Rating Rationale

CARE has placed the ratings assigned to the bank facilities of Viraj Profiles Limited (VPL) under ‘Credit Watch’ following the notice issued by US International Trade Commission (USITC) to VPL dated May 25, 2016. As per the notice, VPL has been issued a limited exclusion and cease-and-desist order by the USITC based on spoliation of evidence in relation to a complaint from Valbruna Slater Stainless Inc. (Valbruna) alleging that VPL had been using the trade secrets which included proprietary knowledge regarding Valbruna’s processes for melting, refining, and casting or pouring stainless steel, as well as customer lists. Italy-based Valbruna, which operates a stainless mill in Fort Wayne, Indiana, filed its Section 337 complaint with the USITC in September 2014.

The USITC’s final determination in the Section 337 case bans import of stainless steel products into USA manufactured by or on behalf of VPL using any of the misappropriated trade secrets identified in Valbruna’s complaint for 16.7 years and prohibits all of the company’s activities related to the sale of its stainless steel products using any of the misappropriated trade secrets in the United States, including marketing, advertising and soliciting distributors for its products. The spoliation of electronic evidence is judged by USITC as per US laws and practices in case of an Indian company having manufacturing operations in India only.

Following are the remedial action planned by VPL:

- Application to USITC for continuing exports of products at downstream units of VPL using Stainless Steel Billets and Ingots made by third party manufacturers. VPL’s attorneys are hopeful that their opinion will be considered by the USITC.
- VPL is in the process to issue 13.4% bond of USD 3 million till the final judgment is passed. This is expected to enable VPL to complete its outstanding order book for USA.
- Application to USITC for formation of a technical expert panel to decide on the time period, which is reasonable for making any Stainless Steel grade.
- Appeal to the US Federal Circuit Court challenging the USITC decision.

CARE is in the process of seeking additional information and clarifications from VPL, basis which CARE will take a view on the ratings once the exact implications of the above order on the business and overall credit risk profile of the company are clear.
