The Honorable Ashley Hinson
United States House of Representatives
Washington, DC 20515

The American Wire Producers Association (AWPA) urges the U.S. House of Representatives to pass H.R. 1869, the ***Protecting American Industry and Labor from International Trade Crimes Act (PAIL Act)***. As foreign competitors continue to exploit our trade laws and undermine our companies and workers, we welcome additional federal efforts to identify trade fraud and hold bad actors accountable. AWPA is grateful for the leadership of Representatives Hinson and Krishnamoorthi in championing the bill, and we look forward to its passage and swift consideration by the Senate.

Sincerely,

Timothy Becker
